Sir,

Sub: Stores- medical supplies by Madras State Indian Medical Practitioners- Co-operative Pharmacy and Stores Ltd.- advance payment- waiver- instructions- requesting.

Ref: Council resolution No. 548 dated 29-3-1952.
G.O.No. 1717 (Public Health) dated 27th June 1945.

I enclose herewith a copy of Council resolution No. 548 dated 29th March 1952 and request the favour of early orders.

The Municipality is required to pay the cost of medicines indented with the Madras Provincial Indian Medical Practitioners' Co-operative Pharmacy and Stores, Ltd., in advace, and the Stores executes the indent only after the payment is made. Subsequent to the supplies made there will be noticed small variations in the original indents and the costs thereof, and payments are called for by them. This leads to protracted correspondence. The entire cost of medicines could be collected along with the freight by the department. I therefore request the government may be pleased to issue revised instructions in the circumstances stated herein.

There is some confused thinking going on in this file. How can the Government waive what is called "advance payment" when the payment is to be made to a Co-operative Stores? It is purely a matter for adjustment between the Co-operative Stores and the indentor, the Mangalore Municipality, unless this Society is a limb of our administration and we have got total and complete executive, organisational and directional control over it.

With reference to the secretary's remarks above, it is submitted as follows:-

In their Memo No. 52521/44-6 Fy, P.H, dated 25.1-

(H) the Govt. Laws informed the D. Bds and Mcpls to take Shares in the M.S.I.M.Ps Cooperative Pharmacy and Stores Ltd, Madras, up

a maximum of 200.

In their Go (Ms) No. 1951 P.H, dated 9.6.1948

(N) the Govt. Laws Ordered that the M.S.I.M.Ps Cooperative Pharmacy and Stores Ltd, Madras, might pass a formal resolution in Regard to the nomination of one or two directors by the Govt and submit it through the Registrar of Cooperative Societies explaining the liabilit of the Govt nominees. In the same Go the Govt Laws strongly advised all local Bodies to make their purchases from the

The M. S. D. M. Ps Cooperative Pharmacy and Stores Ltd, Kasaragod, So as to enable ensure genuine Supply of Indigenous medicines at Reasonable prices

In Lgo. (MS) No. 247 P. H, dated 27-1-49 the Govt. have Communicated to the local Bodies Concerned for adoption of the programme of rates appended to the Lgo, in the interest of prompt Supply of medicines of Indigenous Origine to their Institutions, for the Submission of indents by the Local Bodies to the M. S. D. M. Ps Cooperative Pharmacy and Stores Ltd, Kasaragod.

The above orders issued from time to time by the Govt, as they appear, are only to encourage the Stores for the prompt Supply of genuine medicines to the members including the local Bodies and Municipalities. It is Submitted in this Connection that the M. S. D. M. Ps Cooperative Pharmacy and Stores Ltd, Kasaragod is only a private Ltd Concern. Ordinarily in the Case of private Institutions payment is made only after delivery and Receipt of the articles indented for in good Condition and according to the agreed Specifications. But the Orders issued in Lgo. No. 1717 P. H, dated 27. 6. 1945 were based on the Recommendations of the Registrar Cooperative Stores and the Govt.

According to the Lgo. No. 1717 P. H, dated 27. 6. 1945

Whenever any local Bd or Municipality places indent for the Supply of medicines with the M. S. D. M. Ps Cooperative Pharmacy and Stores Ltd, Kasaragod, it may issue a Cash advance equal to the Cost of medicines indented for and in addition 40% of the Cost to Cover Cost of bottles and other Containers etc and transit Charges etc. But what the Mangalore Municipality wants is to advise the M. S. D. M. Ps Cooperative Pharmacy and Stores Ltd, Kasaragod, not to insist on such advance payments. It is Submitted, that it is neither obligatory nor Compulsory on the part of the Local Bodies to place indents with the Stores for the Supply of medicines. It is a matter

(P. T. O)

On the other hand exemption of the Mangalore Municipality from the payment of advance towards the cost of medicines indented for, will be a deviation from the general procedure laid down in G.O. No. 1717 P.H. dt 27-6-52. In this order some sort of permission is given to the local bodies etc to pay money in advance before supply. It does not appear to be proper for the Govt. to advise the Pharmacy not to insist the advance payment by the Mangalore Municipality. ~~deviating from the general instructions laid down by the Govt. themselves.~~ The Govt. have no power to order the private institution to exempt this single Municipality from the advance payment. The only hold the Govt. have got on the Pharmacy is through the two Directors which they propose to nominate for the Pharmacy. It is reported that the Mangalore Municipality has not cleared its dues of last year (1951-52). If the advance is not insisted, the Pharmacy is likely to suffer as stated by the D.D.I.M. However it is entirely a matter for the Co-operative Pharmacy to give any concession to any local body if it so desires. Under these circumstances the Mangalore Municipal Council may perhaps be informed that the Govt. cannot interfere in the matter and that it is left to the Mpl. council and co-operative Stores and Pharmacy to decide the matter among themselves. For orders.

Dev may perhaps see for remarks.
